ASBESTOS SURVEY FOR COMMERCIAL & PUBLIC BUILDINGS

Senate Bill 509 requires municipalities to verify that an asbestos survey has been conducted prior to issuing renovation or demolition permits for public or commercial buildings, and affects renovation and demolition permits for public or commercial buildings issued by municipalities on or after January 1, 2002.

A copy of the asbestos survey for the area(s) to be renovated/demolished has been included with this permit application. This survey has been done in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP).
