

811 DAY.

Gus the Gopher reminds you to call 811 before you dig.

If you plan to install a fence, plant a tree, or anything that requires digging, you must call 811 to have underground utility owned lines marked.

A black and white photograph of Gus the Gopher, a cartoon gopher character. He is wearing a hard hat with the number '811' on it and a headlamp. He is also wearing a safety vest. A small tag on his vest reads 'Gus the Gopher'. He is standing in front of a house with a picket fence.

**DONUT
FORGET TO
CALL 811.**

It's free. It's safe.
And it's required by law.
